DE LA MONTANYA WINERY

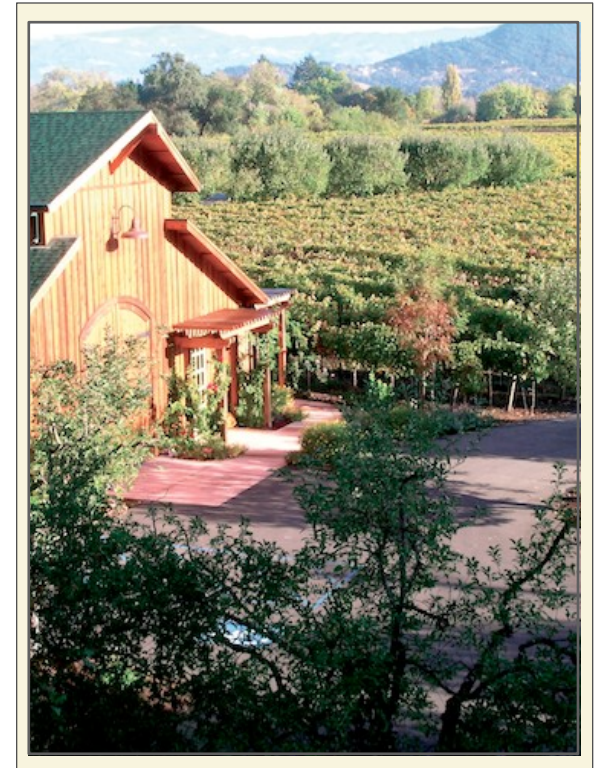

De La Montanya Estate Vineyards was founded in 1995, and the Winery with Tasting Room opened in June, 2003. Our family winery produces more than 30 different wines ranging from 25 to 250 cases each, totaling about 4500 cases per year. Each wine is bottled from the best of our estate-grown, hand selected grapes from De La Montanya vineyards spanning five appellations from the Sonoma Coast to Lake County. A colorful legacy of Northern California pioneers, farmers and purveyors of wine has transcended seven generations of the De La Montanya family. We transferred the experience in viticulture and farming into winemaking, and now welcome friends and family to our showcase winery, "the Barn" on Foreman Lane in Healdsburg.

Over 90% of our wines are sold to our wine club members. De La Montanya wines are generally not distributed.
